PURGE WITH PURPOSE

CONTRIBUTE TO OUR CHARITABLE VILLAGE.

-Consignors can bring unsold items to us and we partner with LOCAL organizations to make DIRECT donations.

-Don't stop at the corporate truck- let us keep your items in circulation where they are needed MOST.

-Ask about fundraising opportunities to GET CASH BACK to participating organizations and schools.

REDUCE WASTE

-Fast Fashion, Packaging, Shipping, Buying New all contribute to waste and harm to our environment.

-LOCAL RESALE is a way to make immediate POSITIVE IMPACTS. Let your items bring others JOY while reducing your footprint.
